Employment Experience

Foundation Baptist College

Vice President

EDMONTON, AB

October 2013 – present

Foundation Baptist College is a small, non-profit post-secondary education institution that provides vocational training for prospective Christian ministers and personal enrichment courses for Christian adults. I oversaw various aspects of the business affairs of the College and taught college courses on the biblical text, theology, and history. Some of my accomplishments included incorporating the College under the Alberta *Companies Act*, obtaining Charitable Status from CRA, producing audited financial statements for the College's fiscal year, and overseeing the development and release of a new website.

Meadowlands Baptist Church

Church Administrator

EDMONTON, AB

October 2012 – September 2013

With an average of 500 Sunday-morning attenders, Meadowlands Baptist Church is a larger church in southeast Edmonton. I provided administrative support to the Senior Pastor while also overseeing a variety of church operations. Some of my responsibilities included organizing and overseeing volunteers in various church ministries, overseeing building maintenance staff, participating in meetings with the church pastoral staff and deacon board, and writing curriculum for adult education classes.

MacEwan University

Technology Support Centre Assistant

EDMONTON, AB

August 2011 – October 2012

I provided Tier 1 technology support to students, staff and faculty via phone, walk up and e-mail, focusing on end-user support for computer applications and peripherals as well as use of the University network and internet resources.

Bob Jones University

Graduate Assistant, Mack Library

GREENVILLE, SC, USA

May 2006 – May 2010

I worked within a unique department of the Mack Library called the [Fundamentalism File](#), which is a resource center with over 5,000 different subjects and over 118,000 items of information relating to issues of ethics and religion. My primary task was to abstract and catalog popular and scholarly articles on religion, theology, biblical interpretation, ethics, history, and current events. I also assisted students, faculty, and library guests with research queries.

Supervised student workers working in circulation, periodicals, reference, and shelving during night and weekend shifts. Wrote code to facilitate library projects and processes. Organized, marketed and taught [instructional workshops][semprojworkshops] on the use of various technologies in seminary research. Wrote [online subject guides][libguides] on a variety of topics. Projects included: designing an updated web interface for the library catalog, generating barcode labels for approximately 80,000 items from the Library catalog, fixing a broken reference statistics database, simplifying research processes, as well as various small scripts for inventory processing and data migration.
